CANNES. She's chic and cosmopolitan, the queen of the Riviera. Every May she delights lovers of the silver screen with the most famous film gathering of all—the Festival de Cannes.

Next door neighbor is St. Paul de Vence, a village with a view. And at the Foundation Maeght, 20th century art meets its makers.

OF *Palms* AND *Piazzas*

Discover the map to ancient days, dance along the shores of time.

Beautiful **LISBON**, the port that launched a thousand explorations. Birthplace of Fado's haunting melodies, of port wine flowing like a satin river. And **SINTRA** calls us, Byron's "glorious Eden". A hillside town of royal summer palaces, a collage of architectural styles.

Colette, Anais Nin and Brigitte Bardot brought the ooh-la-la to **ST.TROPEZ.** Quaint old town takes a back seat to yacht-filled harbors and chic boutiques. Worship the sun, then pay homage to the pointillist and fauvist art that took form here.

ROME. The Trevi Fountain, Piazza Navona, the Pantheon ... Verdi, Dante, Fellini ... Gelato, cappuccino, spaghettini ... Whatever your secret passion, follow the Roman road to la dolce vita!

Virtuoso Voyager Club Events:

LISBON - May 18 sailing: Your full day begins with a city highlights drive tour. Continue into the mountains for a visit to lovely Sintra, well-known for its charming gardens and lush greenery.

OF *Markets* AND *Mosaics*

Step ashore to a serenade, peer through a doorway that leads to heaven.

VENICE. Passionate. Mysterious. Unforgettable. This quintessentially romantic city has inspired the muses for centuries, gifting us with art and song unsurpassed. Stand in the shadows of Piazza San Marco, listen to the hour chime. Buy charms on the Rialto and whisper sweet nothings beneath the Bridge of Sighs. Come away enchanted.

Luminous Morocco ... Where the fragrance of almond mingles with mint, where the desert meets the sea. Rabat, city of minarets and kasbahs. The kiss of **CASABLANCA**, its mosques divine beside the earthly delights of market bazaars.

Virtuoso Voyager Club Events:

VENICE - May 4 sailing: Enjoy the island sights, followed by a traditional Venetian lunch.

CASABLANCA - November 16 sailing: Your day begins with sight-seeing in the capital city of Rabat with visits to places of royalty. Later, return to Casablanca for a Moroccan lunch at Hotel Royal Mansour.

OF *Northern Lights* AND *Nights Fantastic*

Dream of suns that never set, explore the landscapes inspired by waters, behold a brushstroke that touches your soul.

Born from the visionary dreams of a czar who named it for a saint, Russia's cultural jewel is its gift to a world that has always worshipped idols. Palaces, cathedrals and the incomparable art collections of the Hermitage make **ST. PETERSBURG** an extraordinary experience.

Fond memories of faraway places inspired a well-traveled Danish diplomat to commission **COPENHAGEN**'s Tivoli Gardens in 1843. The Chinese Theatre, extensive gardens and musical performances delight international visitors.

Virtuoso Voyager Club Events:

ST. PETERSBURG - June 1 & 29; July 27; August 24 sailings: Enjoy a city highlights tour and lunch of local Russian specialties.

COPENHAGEN - June 15; July 13; August 10 sailings: An illuminated flight-of-fancy evening and gala dinner at Tivoli Gardens await you.

Please refer to pages 8 & 9 for complete itinerary detail.

OF *Viking Ways* AND *Sagas Bold*

Retell the tales from northern lands, connect the stars from east to west, welcome the harbors that call you home.

Like fine crystal, the air sparkles. In afternoon's light the primary colors of old town glow. **REYKJAVIK** ... where swimming pools are heated by volcanoes, mid-town is an Arctic bird haven and a church steeple towers above the city.

Complimentary Virtuoso Voyager Club Event:

REYKJAVIK - September 7 sailing: On your full-day tour, enjoy Icelandic sights and a fresh seafood lunch.
